All of our Parent Support Group Meetings are designed to provide support and community for parents of gifted children free of charge. Please invite other parents or community members you think would be interested.

In order to provide an open forum for the discussion, IEA's Parent Support Group Meetings are intended for adults only. Thank you for understanding.

IEA is an independent, national nonprofit organization based in Pasadena that provides customized programs and services designed to meet the intellectual, social, emotional, spiritual and physical needs of gifted children ages 5 to 17. For more information about IEA, please visit www.educationaladvancement.org.
